B & D Electromedical

WARRANTY

B & D Electromedical warrants that B & D Electromedical products shall be free from defects in design, materials and workmanship affecting the normal operation of the product, for the specified warranty period.

If B & D Electromedical receive notice of such defects during the warranty period and the product is returned, freight prepaid, We will, at our sole option, repair or replace the defective product without charge for parts, labour and return carriage. Any such replacement may be new or equivalent in performance to new. Replacement parts will be warranted for only the unexpired portion of the original warranty or 90 days (whichever is greater).

The warranty begins on the date of delivery of the product (as shown on our packing note)

The warranty does not apply to defects in the product resulting from:-

- Improper or inadequate maintenance.
- Misuse, ie not used in accordance with the instruction manual.
- Unauthorised modification.
- Repairs attempted by persons not authorised by B & D Electromedical.
- Abuse or accidental damage.
- Any loss of parts.
- Ingress of substances into the product.
- Excessive wear and tear caused by careless or rough handling.

The warranty does not apply to:-

- Customer replaceable parts and accessories such as filters, probes, breathing circuits, etc.
- Any accessories clearly identifiable as of original manufacture by a company other than B & D Electromedical.

Transportation

When shipping, damage as a result of inadequate packing is the customer's responsibility.

Please use the original packing materials whenever possible.
